Volume 7

Explore the boundless realms of imagination with 1001 Nights: 1001 TTRPG One-shots, a unique collection tailored for any TTRPG rulebook. In this 7th volume, Gothic Horror, descend into a world of shadowed corridors, cursed bloodlines, and secrets best left buried. Featuring 56 one-shots, this collection invites players to confront the uncanny, the tragic, and the grotesque in tales steeped in dread and doomed beauty.

Each adventure is meticulously crafted into five key parts—from the ominous Hook to the often chilling Resolution—ensuring a rich and atmospheric narrative. Gothic Horror draws on themes of isolation, forbidden knowledge, decaying grandeur, and emotional torment, plunging characters into stories where the line between monster and victim is disturbingly thin. From haunted manors to spectral lovers and creeping madness, these one-shots are designed to unsettle and enthral.

As always, the 1001 Nights series integrates smoothly into any campaign, offering vivid settings, haunting NPCs, and branching endings shaped by player choice. Whether you're a seasoned GM or a newcomer, this volume gives you everything you need to craft evocative, sorrow-laced tales that linger long after the session ends.

Will your players escape the darkness—or be consumed by it?
