Order of Merchants

In every realm, behind every throne, there is a ledger.

Discover the Order of Merchants, a legendary guild of ten extraordinary vendors who traffic in the extraordinary. This isn't just a shop catalog—it's a character-driven toolkit for Game Masters, filled with handwritten lore and hand-drawn art.

Meet The Tenured Ten: ten fully illustrated merchants, each with their own leader, enigmatic lieutenant, and mobile location. Delve into their strange inventories, their hidden goals, their peculiar quirks… and so much more. Uncover their secret networks, the adventure seeds they plant, and the unique magic that dictates every transaction.

Weave them into your campaign as vibrant NPCs, mysterious patrons, or untrustworthy allies. Whether your party needs a rare artifact, a forbidden secret, or simply a reliable potion seller in the Abyss, the Order of Merchants has what they need—for the right price.

Open the ledger. Secure the contract. Mind the peculiarity.

Your next great adventure begins with a deal.
