1001 Nights
Volume 6

Explore the boundless realms of imagination with 1001 Nights: 1001 TTRPG One-shots, a unique collection tailored for any TTRPG rulebook. In this 6th volume, Good vs. Evil, enter a world where morality is tested, loyalties are strained, and the eternal struggle between light and darkness takes centre stage. Featuring 44 one-shots, this volume offers sweeping conflicts, righteous causes, and dangerous temptations that place your players at the heart of classic yet complex battles.

Each adventure follows a five-part structure—from the gripping Hook to the decisive Resolution—designed to create meaningful choices and dramatic tension. Good vs. Evil isn't just about heroes and villains—it's about what separates them, and how thin that line can become. With divine crusades, infernal bargains, fallen champions, and defiant rebels, these tales explore the cost of conviction and the consequences of power.

As with all entries in the 1001 Nights series, these one-shots integrate effortlessly into any campaign, offering evocative settings, memorable NPCs, and multiple outcomes shaped by the players' decisions. Whether you're a veteran GM or just starting out, this volume provides everything you need to run compelling, high-stakes adventures.

Will your players stand for what's right—or redefine what it means to be good?

Play the best game of your life!
