1001 Nights Volume 10

Explore the boundless realms of imagination with 1001 Nights: 1001 TTRPG One-shots, a unique collection tailored for any TTRPG rulebook. In this 10th volume, Mushrooms Land, descend into a realm shaped not just by spores and mycelium, but by the mind itself. Featuring 44 one-shots, this volume invites players into a reality warped by psychic hallucinations, bioluminescent landscapes, and sentient fungi that blur the line between perception and truth.

Each adventure unfolds in five structured parts—from the disorienting Hook to the often mind-bending Resolution—designed to challenge players' sense of reality and immerse them in the surreal. Mushrooms Land explores altered states of consciousness, dreamlike logic, and parasitic connections between mind, environment, and organism. Illusions, psychic echoes, and shifting landscapes make every choice uncertain and every encounter a test of mental clarity.

As with all volumes in the 1001 Nights series, these one-shots integrate smoothly into any campaign, offering evocative settings, unpredictable NPCs, and multiple outcomes driven by player interpretation and decision. Whether you're a veteran GM or just starting out, this volume offers everything you need to craft eerie, strange, and strikingly memorable adventures.

Will your players awaken from the dream—or realise they were never truly awake?

Play the best game of your life!
