Gods & Avatars: Egyptian Gods

Gods & Avatars: Egyptian Gods brings the timeless deities of ancient Egypt to life in your 5e campaign like never before. This richly detailed sourcebook introduces **25 mighty gods and goddesses**, each with their own divine domains, sacred rites, and legendary avatars, offering players and Game Masters new ways to wield divine power and shape epic destinies.

Explore grand pyramids, hidden tombs, and celestial temples, each filled with devoted followers—mystic priests, oathbound paladins, and cunning clerics who channel the will of the gods. From the scorching sands of the desert to the shifting currents of the Nile, every location pulses with divine energy and ancient secrets waiting to be uncovered.

With breathtaking artwork, immersive lore, and dynamic mechanics, this project invites you to walk the path of the divine. Will you serve **Ra, the Sun God**, as a beacon of justice? Or will you embrace the shadows under **Anubis, the Judge of Souls**? Whether you seek to **unravel prophecies, battle cosmic horrors, or claim the power of a god**, this book is your guide to a mythic adventure where mortals and deities collide.

The gods are watching—will you answer their call?
